Helping Our San Diego Neighbors for Over 30 Years

Owned by brothers Michael and George Fahouris, **Certified Restoration** is backed by more than 30 years of mold, fire, and water damage restoration experience. We have completed thousands of jobs and have an excellent 5 Star rating on Yelp, Google and the Better Business Bureau.

- IICRC Certified
- Fully Licensed, Bonded and Insured
- Google & Yelp - Rated 5 Stars
- BBB - Rated A+
- Centrally Located in Downtown San Diego
- One Hour Emergency Response
- Expertly Trained & Knowledgeable Technicians

References

Certified Restoration is efficient, thorough and easy to work with. They are a property manager's dream vendor.

 **M. Pereira, ASPM**

CRI is great from beginning to end. They are my go-to vendor and I wouldn't mess with anyone else.

 **R. Kelly, Prescott Management**

My favorite thing about working with Certified Restoration is the team's professionalism and reporting. They always communicate with our office and residents, which helps cut down on update calls and emails. Their detailed reporting contains photos of every step along the way.

 **K. Diaz, Property Manager**

Why remove good cabinets, floors, and walls when you can dry in-place?

"In-place drying of cabinets, floors and walls can often save you time, disruption and money. Our experience and advanced equipment make us the leading in-place drying restoration vendor in San Diego."

Michael Fahouris
Owner - **Certified Restoration, Inc.**
